## Synopsis :

From the Publisher Dating can be fun, but it's not easy. Meeting people is just one concern. Once you've met someone, then what? What do you build? Nothing, a simple friendship, or more? How do you set smart limits on physical involvement? Financial involvement? Individual responsibilities? Respected counselors, popular radio hosts, and best-selling authors Henry Cloud and John Townsend apply the principles described in their Gold Medallion Award-winning *Boundaries* to matters of love and romance. Helping readers bridge the pitfalls of dating, *Boundaries in Dating* unfolds a wise, biblical path to developing self-control, freedom, and intimacy in the dating process. *Boundaries in Dating* helps singles to think, solve problems, and enjoy the benefits of dating to the hilt, increasing their abilities to find and commit to a marriage partner. Liberally illustrated with insightful, true-life examples, this much-needed book includes such topics as: Sins You Can Live With--Recognizing and choosing quality over perfection in a dating partner - Don't Fall in Love with Someone You Wouldn't Be Friends With--How to ensure that honest friendship is one vital component in a relationship - Don't Screw Up a Friendship Out of Loneliness--Preserving friendships by separating between platonic relationships and romantic interest - Kiss False Hope Good-Bye--Moving past denial to deal with real relational problems in a realistic and hopeful way . . . and much more.
