Synopsis :

Review 'This fourth instalment in the series is possibly my favourite of the lot, encompassing every single element I hoped to find in it, in particular the careful attention that is paid to these characters' emotional growth and change. Every word in it counts, every emotionally charged scene plays a vital role in the overall storyline, and every part of the puzzle is fundamental to our deeper understanding of the key players in it.' - Natasha (Book Junkie), Top Recommendation! In every way, Captivated By You was a true Crossfire book...a beautiful, intense, heart-wrenching journey filled with both mistakes and failures and accomplishments and progress. It's passionate, addictive, and truly one of the best I've ever read. I absolutely loved it!!' - Aestas Book Blog 'Captivated by You captures the reader from the first line and doesn't let go until its satisfying end. As can be expected by a Crossfire novel, we witness the exhilarating and passionate love of Gideon Cross and Eva Tramell as they face ghosts from the past while working toward the happy future they both dream of and finally realize they deserve. I didn't want that last page to come.' - The Polished Book Worm 'The long-awaited fourth book in the popular Crossfire series brings almost too much drama, but keeps things balanced with hefty doses of romance between Gideon and Eva. Day has skillfully built a world of characters readers are invested in, and fans will be especially excited to see more of Cary, Ireland, Mark, Megumi and more secondary characters in this installment.' - RT Book Reviews Read more About the Author Sylvia Day is the #1 New York Times and #1 international bestselling author of over 20 award-winning novels sold in more than 40 countries.
