## Synopsis :

About the Author Barry B. Powell, after graduation from Berkeley and Harvard, taught at Northern Arizona University, then took a job at the University of Wisconsin-Madison, where he taught for 34 years. He is a master of many languages, both ancient and modern, and for many years taught Egyptian philology and culture at Wisconsin, in addition to courses in Classics. His book *Homer and the Origin of the Greek Alphabet*, which advanced the thesis that one man invented the Greek alphabet in order to record the poet Homer, has become a classic and changed the way we think about the origins of Western Culture. He has written many other books, including two novels and a book of poetry. His book *Classical Myth*, is the best-selling book on the topic, and is now in its eighth edition. His book *Homer* is the best-selling study of this author. *The Greeks: History, Culture, and Society* (second edition, with Ian Morris) is widely used in college classrooms. He is currently preparing a translation of the *Iliad* and the *Odyssey*. He lives in Santa Fe, New Mexico, where he and his wife Patricia enjoy the company of their children and grandchildren.
