Synopsis :

Review 'This is a proper modern textbook combining the best of the traditional printed medium but accompanied by digital cousins bundled within the purchase price, more on this later... This is an impressive general all round textbook which covers it's topic in excellent detail which will appeal to both the specialist in training as well as a GP and other interested healthcare professionals.' – Harry Brown, Glycosmedia Read more About the Author Edited by David M. Luesley, MA, MD, FRCOG, emeritus professor of gynaecological oncology, University of Birmingham, UK Mark D. Kilby, DSc, MB BS, MD, FRCOG, FRCPI, professor in fetal medicine, Centre for Women's and Children's Health, University of Birmingham, and Fetal Medicine Centre, Birmingham Women's Foundation Trust, Birmingham, UK Read more
